CROSSROADS Caring for Carers

My name is

JULIE WALL

And I'm the new

CARERS TRAINING DEVELOPMENT MANAGER

At Crossroads, Birmingham

For the first twelve months I will be concentrating on identifying the needs and barriers to carers taking part in 'training and leisure activities'. I need a little help from you, ***the EXPERTS*** ….. people who are carers or who have been carers.

One of the first things that I need to do is to develop a mailing list of Carers (just contact details and date of birth) so that I can write and keep everyone up to date with what I'm doing as well as to give you the opportunity to become involved in the project (but only if you want to).

Whether or not you want to participate in training or leisure activities … you will be able to help by simply sharing some of your experiences with me to help to develop a service that will be what carers REALLY want and need.

Please would you print off and complete and sign the attached form and post it to **Crossroads, Moseley Hall Hospital, Alcester Rd, Moseley, B13 8JL**, or hand it to a member of staff from South Birmingham PCT. *YOUR SUPPORT IS VITAL* to the success of the project.

'Together' we can make this research a TRUE reflection of the needs of carers and use it to develop a training and leisure programme that can REALLY support carers in all aspects of their lives

If you have any questions or just want to find out more, please don't hesitate to contact me …
