

   
School Closed

     
School is going to close tomorrow. This means this

    
is the last day of school. This is to stop

       
people getting ill.. Lots of other schools have

      
decided to close as well to stop more germs

     
from spreading. This will help to keep us

  
healthy.

This might make me

feel

a bit

worried

or

confused.

If

I

feel worried

or

confused

I can

talk to

my

family.

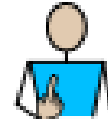

They

can

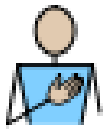

help

me

to

feel

better.

When

I

am at

home,

I can

remember

to

keep

washing my hands

to

wash

off any

germs

and keep

myself

healthy.

When

school

is

closed,

I

will be at

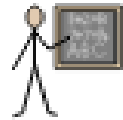

home

with

my family.

My teachers

will

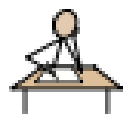

give

my

parents

some school work

that

I can

do

at

home.

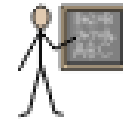

I can

show

my work to my

teachers

when

I

come back

to

school.

My

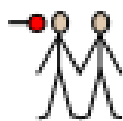

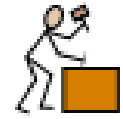

parents

might be

doing

their

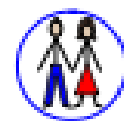

work

from

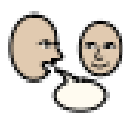

home

too.

My parents

will

tell

me when

when

school

will be

open

again.
